One of the latest editions of the Octomore super heavily peated range, 09.3 is peated at 133ppm. Just 52 tonnes of precious Islay barley were malted to produce this single farm Octomore 09.3 edition. Raised in Irene's Field on Octomore Farm in 2011, this uber-provenance single malt was later distilled and filled into 134 casks. Predominantly second-fill, the gentler influence of the wood allows more of the locally grown barley flavours to cut through the legendary peat smoke.

Confident in its five year age statement, their Head Distiller demonstrates how a focus on raw ingredients and considered distillation can definitively debunk the myth that older is better. Distilled in 2012 from 100% Scottish barley, the 09.1 is matured full-term in top-tier ex-American whiskey casks.

The unique recipe for this special bottling is the result of a collaboration between Douglas Laing and some of Glasgow’s finest bartenders and spirit experts. The resulting whisky is bursting with zesty citrus, green fruits and a sweet nuttiness, proclaiming to be “certainly a little bigger, more urban than other Lowlanders”. 60. THE JOHN WALKER

“The pinnacle of the current Johnnie Walker range, this is a rare, inimitable blend of just nine whiskies. It exudes the aromas of ripe bananitos, whole mango, satsuma, vanilla seeds, barley awns, butter biscuits, and crystallized pineapple. The supple grain sustains indulgent, characterful malts creating a weighty, smooth mouthfeel. I’m smitten by the vanilla creaminess, burgeoning deep fruit layers, how it swells with satisfying snuffbox smokiness. A beautifully styled blend delivering a captivating, sensuous experience.”

125. GRAND MARNIER QUINTESSENCE

Made with the most precious cognacs from the private reserves of the Marnier Lapostolle family, cellar master Patrick Raguenaud carefully selected rare cognacs sourced exclusively from Grande Champagne, the most prestigious growing region of Cognac. Blending a unique collection of cognacs, some dating back to 1906, this delicious mingling of history is then combined with double-distilled wild tropical orange essence. The final blend is then aged in French oak casks to allow the flavours to marry and mature together, producing the perfect balance and quintessential taste. The most premium offering in the Grande Cuvée Collection, Quintessence is the epitome of excellence.
